

Public Notice

01-March-2010

Only Two Surge Valves Remaining

The surge valve loan and demonstration program of Northern Water's Irrigation Management Service was discontinued in 2008.

The following inventory of used surge valves is available for inspection and purchase at Northern Water's headquarters in Berthoud, Colorado, during normal business hours (7:30 a.m. to 4:30 p.m.). Buyers must be currently farming agricultural crops within the service area of Northern Water in northeastern Colorado.

ID#	Manufacturer	Size	Sale price
3648	Waterman	10" Tee	\$99
missing	Waterman	10" Tee	\$99

These surge valves will be sold as is on a first come first served basis. All valves are operational; however, no warranty is expressed or implied.

For additional information, please contact Mark Crookston at (970) 532-7700.
